

9th October 2018

Dear Parents / Carers
SCHOOL PHOTOGRAPH DAY

This year's school photographs to take place next week on Wednesday 17th October 2019.

Due to an amazing offer, that we thought was too good to pass up for Parents, we have returned to Tempest Photography who have provided us with some excellent photographs in the past.

We will continue to follow the same pattern as previous year's with any siblings who don't yet attend school coming for their photographs before school begins. School will be open from 8.15am for this to take place. This will take place as a first come, first served basis.

All children in school will have an individual photograph taken as we keep these as a school record.

All families of children in school will have a group sibling photograph.

Yours sincerely

Karen Wakefield
Principal
