

URGENT - Please can you complete and return to school on Friday 28th September – Thank You

September 2018

Dear Parents/Carers of Year 6 children

Outwood Academy Hemsworth: The Awe and Wonder of Space

We are delighted to invite your child on Tuesday 2 October 2018 to an afternoon of fun and learning at Outwood Academy Hemsworth. Your child's Headteacher has given us permission to borrow their Year 6 children so that they can take part in an amazing Science event.

Children and staff will be either be walking or collected from their primary school by coach to arrive at Outwood Academy Hemsworth for approximately 1pm. Children will have their lunch at their primary school before they attend. The event will come to a close at 4.45 pm.

The Science Department have an exciting schedule of events planned. As part of their day, children will make a comet, experience our planetarium, watch an astonishing liquid nitrogen demonstration and learn how to use a telescope.

We welcome parents/carers to join us later in the afternoon (from 3.15 pm onwards). One of our students will show you to your child and you can then join in with the activities described above. Alternatively, our annual Open Evening takes place on the same evening at the Academy, so you are welcome to arrive for 5.15 pm to meet with your child and begin a tour of the Open Evening events. We know that Open Evenings are a very important date in the calendar for all Year 6 parents/carers wishing to view schools ahead of the deadline for secondary admission forms.

Please complete the form overleaf. Please ensure that you return it to your child's school office as soon as possible.

If you require any further information regarding the event, please contact our Year 6 Transition Co-ordinator, Joanne Hopes, at j.hopes@hemsworth.outwood.com

We look forward to meeting your child and of course, as many parents/carers as possible.

Yours faithfully

Mr T Rutter
Principal
