Dear Parents / Carers  
**Breakfast Club**

Our Breakfast Club has become a huge success and we have recently had to have a review of how we run the club.

To keep the cost as low as we can for Parents, we have unfortunately had to make the decision that from September 2019, children from Foundation will no longer be able to attend and Breakfast Club will only be available to the children from Years 1-6.

We realise the impact that this may have on some of our families and would like to apologise for any inconvenience caused. Due to the staff to children ratios, we would have had to increase the cost of Breakfast Club substantially to accommodate the younger children and we feel that this would have a larger impact on the older children who regularly attend Breakfast Club.

Thank you for your understanding and support in this matter.

Yours sincerely,

Karen Wakefield  
Principal
